Then Our "New Peoria" Is What You Want

It has perfect working discs, fitted with dust proof chilled bearings, single draw bars that will not gather trash, staggered spoke wheels with 7-inch hub and 3-inch tires, continuous rear bar with rust rod to support seat and keep drill from sagging, direct pressure in rear of disc; a feature we claim will make this drill work perfectly in any land suitable for sowing grain and where other drills cannot be operated. A seat in center of drill convenient to lever is also furnished. Drop in and let us show you what this drill can do, and furnish you with the names of a score of satisfied users. One feature of our drill that puts it in a class by itself and makes it superior to all other drills on the market is the "Peoria Disc Shoe." You won't find the disc shoe on any other press drill on earth, the Peoria people have that feature cinched and they are going to hang on to it. If you want to know why we can grow more wheat to the acre after this drill than any other with the same amount of grain sown, come in and let us explain to you the "New Peoria Disc Shoe Drill."

Republicans Sweep State Yes.

PORTLAND, Me., September 9.—Maine returned to the Republican party in the state election today, William T. Haines of Waterville, being elected Governor over Governor Frederick W. Plaisted, his Democratic opponent, who sought a second term, while the Republicans regained one of the two Congressional districts lost to the Democrats two years ago.

Returns for Governor from 550 out of 634 election districts give: Haines, Republican, 66,121; Plaisted, Democrat, 62,127.

Returns for the Legislature show 8 Republicans and 3 Democratic Senators and 43 Rep-

publican and 36 Democratic Representatives elected out of a total membership in the Senate of 31 and in the House of 151. The last Legislature was heavily Democratic in both branches.

BAD MAN KILLED

Mountain Toughs Given Fatal
 Dose at Butler, Ky.

After terrorizing citizens of Butler, Ky., firing their revolvers and ordering people to clear the sidewalks, one man was shot to death. Four others are in jail in Falmouth pending an investigation. Town Marshal Ollie Finley of Butler tried to arrest five men from Clay county, Kentucky, Sunday, whom he claimed were intoxicated and had been discharging revolvers. John Murphy of Butler assisted Finley and when the five men were ordered to submit to arrest one of them fired at the officers. Murphy returned fire and killed one of the Clay county men. The officials learned that his name was George Allen.

W. H. Taft. J. S. Sherman.

REPUBLICAN TICKET.

FOR PRESIDENT,
WILLIAM HOWARD TAFT.

FOR VICE PRESIDENT,
JAMES S. SHERMAN.

To every laboring man with a job to keep and a family to support, with a tongue to proclaim and a vote to back up his opinion, "it is important to "hold fast to that which is good"—for his home, his country and himself. The Protection cause has been his tried and true friend, has produced the means by which he earns his bread, clothes his body, gives him a roof over his head and permits him to educate his children.

Will P. Scott, of Dawson Springs one of the leading Republicans in that section of the State, cannot understand why it is The Herald is supporting Roosevelt in preference to Taft. Evidently Mr. Scott has lost sight of the fact that The Herald has always been a Progressive newspaper and that the principles for which Mr. Roosevelt is now fighting are the very same the Herald has been advocating for many years.—Louisville Herald.

And, evidently, Mr. Scott has lost sight of the most important fact, i. e., that just before the National Republican convention at Chicago, The Louisville Herald and four other newspapers, controlled by one Shaffers, The Terre Haute Star, The Indianapolis Star, Muncie Star and The Chicago Evening Post, all went over to Roosevelt. Of course that's "progressive," but wonder how much?

WOULD BE NEARER \$9.90.

A news item in a local Democratic paper reads:

J. Walter Skirven & Co., recently paid a farmer \$99 for four calves. That's going some for the live stock market.

And, let us add, this is under a Republican administration and a Protective Tariff. The price under Democratic Free-Trade would be nearer \$9.90. Refer to the Cleveland administration prices.—Chestertown (Md) Enterprise.

Reflections of a Bachelor.

The easier it is for a girl to get wisdom the harder it is for her to get beaux.

Usually the reason for a woman's trusting a man is there isn't any.

For a photograph to be good of a woman nobody must be able to recognize it.

A woman's idea of big gambling is taking chances on dressing against the weather.

A girl can do more damage with a pair of eyes than a man can with a pair of pistols.

The time a man finds he isn't a natural born inventor is when he tries to get the key into the lock of his door at 3 o'clock in the morning.

All the money in the world, if a man had it, couldn't keep him from getting nervous about some of it when a poor relation wanted to see him.—New York Press.

The Kentucky Legislature was such a joke itself that about every measure passed was nullified by a little joker. In a recent case at Louisville where a joy rider was arrested for speeding, it was brought out that the Kentucky law provides that an automobile must have gone at a speed exceeding fifteen miles an hour for more than an eighth of a mile. Judge Boldrick granted that this had not been shown and dismissed the charge of exceeding the speed limit. He said it was unfortunate that the Legislature should have made such a provision. An eighth of a mile is approximately two blocks, and an auto can go that far at a 60-mile an hour clip before it slows up, and it is therefore not amenable to the law. No wonder all Kentucky Legislatures are jokes—but very expensive jokes.

THE MENACE TO PROSPERITY.

The only present menace to prosperity is the rather remote possibility of the Democrats securing a national victory. Then, under apprehension of another Mills tariff law money would be withdrawn from manufacturing and transportation and a panic result. The enactment of the banking bill based upon the world-wide information secured by the monetary commission might mitigate this situation although it would not obviate it.

CAN WILSON CHEAPEN MEAT?

The statistics of the Census Bureau shows that during the ten years preceding their report the number of cattle raised on the American Continent had fallen off over 6,000,000 head, hogs nearly 5,000,000 and sheep nearly 9,000,000.

Will Mr. Wilson, President, make good his promise to reduce the cost of living by removing the small farmers and again making free range for flocks and herds and reduce the cost of farm land from \$110 to \$30 per acre.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; and as cases of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

LEXINGTON WEDDING

Mr. Frank B. Young, Son of Mr. and Mrs. J. M. Young of This City, Happily United

Sunday's Lexington Herald.

The marriage of Miss Lorena Heathman Proctor to Mr. Frank Burdette Young, both of this city, was celebrated in Nicholasville yesterday afternoon at the home of the officiating minister. The marriage was quite a surprise to both relatives and friends, the happy secret having been kept by the young couple, who wished to marry in this quiet way. They left immediately after the ceremony for Cincinnati and will be at the Sinton Hotel, and from there will go on an extended trip, returning to Lexington late in the fall. The bride is the daughter of Mr. and Mrs. T. C. Proctor. She is a beautiful young girl, quite charming and attractive. She is one of Lexington's most accomplished musicians, with a voice of exquisite beauty, and for some time has been soloist at the First Presbyterian Church. Mr. Young is also a gifted musician, possessing a beautiful baritone voice. He is attractive and popular and a prominent young business man, having made Lexington his home for about two years. Both young people have a host of friends, who are showering them with congratulations and best wishes for much joy and happiness.

Mr. Young is the youngest son of Col. and Mrs. J. M. Young of this city. Miss Proctor will be remembered by Maysville people as a member of the State University Glee Club, who delighted her audience with her beautiful voice.

MRS. GREATON'S AWFUL EXPERIENCE

During Change of Life—How Lydia E. Pinkham's Vegetable Compound Made Her a Well Woman.

Natick, Mass.—"I cannot express what I went through during the change of life before I tried Lydia E. Pinkham's Vegetable Compound. I was in such a nervous condition I could not keep still. My limbs were cold, I had creepy sensations, and I could not sleep nights. I was finally told by two physicians that I had a tumor. I read one day of the wonderful cures made by Lydia E. Pinkham's Vegetable Compound and decided to try it, and it has made me a well woman. My neighbors and friends declare it has worked a miracle for me. Lydia E. Pinkham's Vegetable Compound is worth its weight in gold for women during this period of life. If it will help others you may publish my letter."—MRS. MARION SWEET GREATON, No. 1 Jefferson St., Natick, Mass.

Change of Life is one of the most critical periods of a woman's existence. Women everywhere should remember that there is no other remedy known to so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

All the county officials and a large number of others attended the funeral of ex-Circuit Clerk Isaac Woodward. There were short funeral services at his home in Dover at 8 o'clock and the services proper were held in the First M. E. Church, South, in this city at 10:30 a. m. the interment following in the Maysville Cemetery. Rev. Haymore had charge of the services.

Among the beautiful floral tributes was an offering from the county officials and his close Maysville friends, representing "gates ajar."
